Learning Program

Inspecting a Mikvah in construction

Kollel Menachem offers a formal structured program for your learning. Yungeleit will be able to master key areas of halacha b'iyun. The learning program follows a schedule and curriculum with clear goals and objectives and weekly Shiurim.

Master the study of essential areas of Halacha. In-depth study of the Halachos with focus on Halacha Lemaaseh with guided study, Shimmush and Shiurim.

Get tested on the Halachos and receive Semicha certification in the Halachos from noted Rabbonim and Poskim.

Shluchei Torah

Semicha shiur for Balabatim

Kollel Yungeleit are Shluchei Torah: Our Yungeleit make a huge impact on the community, learning in Chavrusas with local Yungeleit, balabatim and students. Real life-long friendships and relationships are created and you can make a deep impact on people's lives.

Kollel Yungeleit give regular Shiurim as part of our Adult Education program, including lectures at our annual Summer and Winter Yarchei Kallah programs. Assistance and direction in organising, preparing and presenting shiurim is provided. This provides an excellent opportunity to develop your skills in giving shiurim which will further assist in

preparing for and finding your future Shlichus.

Gashmius

Shiur in the Beis Medrash

Kollel Menachem looks after our Yungeleit with a generous weekly Kollel stipend so that our you can focus on your learning and teaching, as one of the highest paying Chabad Kollels in the world.

For Yungeleit committing to 2-years of study, relocation allowance payments may be available. Please contact us to find out more details.

The Melbourne Community

Summer Yarchei Kallah

Melbourne is home to one of the largest Anash communities outside of Eretz Yisroel and North America, with a large community of Young Anash families. The community is renowned for its warmth and welcoming nature, especially to our Kollel families. The Kollel is situated in the heart of the community and services the community by providing shiurim, Chavrusas and other learning opportunities.

Chinuch Experience

Yeshiva College

For Yungeleit who are considering the possibility of a Shlichus in Chinuch, Kollel Menachem partners with the Yeshiva College school to provide opportunities for teaching and development.

Get the opportunity and experience in teaching regular classes in Niglah and/or Chassidus in either high school or primary school, with bonus payment supplement. Opportunities for training and development from experienced educators. Opens up doors for potential longer-term teaching roles locally and abroad.

Kollel Wives

At Kollel Menachem, our Kollel wives are partners in Shlichus with their husbands. Under the auspices of the Kollel, Chana's Circle runs social and other events for the young married women in our community. Teaching positions are often available to Kollel wives within the local Moisdos (subject to availability and visa requirements). The Kollel also regular arranges social programs for the Kollel wives, and presentations on practical Shlichus topics, family and relationships.

About Us

Kollel Menachem Lubavitch was established in 5739 by head-Shaliach Rabbi Y.D. Groner ז"ל at the specific direction of the Lubavitcher Rebbe. As the first Kollel in Melbourne, Kollel Menachem has and continues to have an immense impact on the community. The Kollel is part of the Yeshiva Centre, Chabad Institutions of Australia.

First and foremost, the Kollel is a Beis Medrash where Yungeleit can advance their learning after marriage. The Kollel provides a structured learning program with a focus on in-depth learning of Halocha. In addition, the Kollel serves as a vibrant centre of Adult Education providing Shiurei Torah within the Melbourne Anash and wider Jewish Community. Alumni of Kollel Menachem serve as Rabbonim, Mechanchim and Shluchim throughout the world.
